Vol. 1 - written by Sandra Rath

## ELECTION OF NEW BOARD MEMBERS

On 14 January 2021, our annual general meeting convened virtually to elect a new executive board. The following members were re-elected:

- Miriam Wilke as President (second from right)
- Nadine Laske as Vice President (second from left)
- Vivian Sadlik as Treasurer (first from right)
- Sandra Rath as Secretary (first from left)

## LAUNCH OF OUR NEW PODCAST

Due to the pandemic making in person meetings impossible for now, we have developed a podcast where our host Sandra Rath chats with American Studies alumni about their professional paths so far. While speaking about their studies, application processes, and job experiences, alumni will share their advice on how to succeed in the modern job market.

**Listen to the trailer now and the first episode with Katharina Luise Kittler on 28 January 2021.** For inquiries concerning the podcast, please send us an email to [info@aslaa.de](mailto:info@aslaa.de).
